

Salesforce Knowledge - Welcome to MiTek Customer Experience

Last Modified on 09/28/2022 12:24 pm MDT

On Friday, September 30th, at approximately 5 PM MT, MiTek is launching our new Salesforce Knowledge in the Customer Experience Portal.

Salesforce Contacts must be enabled to have access to the Customer Experience Portal.

MiTek will complete a bulk update of Enabled Contacts to a subset of our customers on Friday, September 30th, at approximately 4 PM MT.

When these Contacts are enabled, the email below is generated welcoming the Contact to MiTek's Customer Experience Portal and providing a link to set their initial password.
